New ways to manage 10% of grasslands across Fife.

The new proposals to change the grass cutting programme will provide healthier habitats for birds, bees and small mammals and reduce carbon emissions. Fife Council would like to hear your views on new ways of managing grassland.

Go to: www.fife.gov.uk/grasslands
or phone 01592 583469 for an information pack and a feedback form.

Have your say from 16 November to 31 December 2020.
