

Cancer Consent forms are under review

Have your say

- Would you like to help reduce the amount of paper used in hospitals, do you prefer to use your smart device for all your documentation?
- On the other hand, do you prefer to have a physical copy of important papers?
- You could help shape the future of consent forms for cancer treatments by sharing your view.
- Please complete our short survey by typing this link in to your browser <https://forms.office.com/r/JXLexYa5sg> or use the QR code to take you directly there.
- The questionnaire is completely anonymous; we will not ask for your personal details. Your answers will not be traced back to you and will not affect your treatment.
- Thank you for your participation, your response will help develop patient experience projects.
