### **Initial Phase: Commissioning for services associated to Fife's new Community Mental Health and Wellbeing Supports and Services Framework**

Your organisation is invited to consider the attached brief for services associated with the new Community Mental Health and Wellbeing Supports and Services Framework.

This is **initial phase**, short-term funding for the period to the end of October 2021. A second phase of Recurring Grant Funding, for a two-year period, is planned from November 2021 to the end of October 2023 (service requirements and associated funding to be determined). An overview timeline for these two phases is included with this paper.

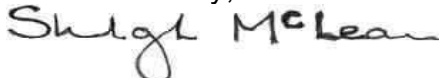

Applications are invited to provide services in line with this initial brief. Individual organisations are welcome to submit applications to provide services in one or more of Fife's seven specific Council locality areas. This should be stated clearly on applications, explaining whether the bid applies to a particular locality/localities and indicating any flexibility in the bid in terms of localities the organisation would work within. Further information on this is available within the brief.

If you have any queries about aspects of the brief, please contact [rona.weir@fife.gov.uk](mailto:rona.weir@fife.gov.uk)

If you have any technical queries about the application process, please email: [christopher.campbell@fife.gov.uk](mailto:christopher.campbell@fife.gov.uk)

Please email your application documentation, for each Service Brief, by **midday on Friday 19<sup>th</sup> March 2021** to: [jill.smith-bs@fife.gov.uk](mailto:jill.smith-bs@fife.gov.uk)

Yours sincerely,

Shelagh McLean  
Head of Education and Children's Services
