

Buckhaven Links! is a community-based (charrette) project exploring the future of Buckhaven Shoreline and town centre. It aims to gather the views of residents, schools, local groups and charities, local businesses, churches, the Council, and others, to share ideas, set priorities and create a shared vision for the shore and town centre. This will lead to a Community Action Plan for the future of Buckhaven.

Buckhaven Links! workshops will take place over three Wednesday afternoons/evenings in March (8th, 15th, 22nd), leading to a display of all your ideas on Saturday morning 25th March. All events will take place at the Buckhaven Community Centre, Kinnear Street. All welcome! To help us plan for these workshops, it would be helpful if you could complete this survey.

Buckhaven Links! is an initiative of CLEAR Buckhaven and is delivered by the charity [PAS](#). The project has the support of and assistance from Fife Council and the Scottish Government. Find out more on: www.clearfife.org.uk or Julia at PAS at julia@pas.org.uk or 0131 220 9730.
