

Fife College

Prepare yourself for the demands of an increasingly digitalised, automated and data-driven world!

Join our 3-Day Introduction to Data Skills Bootcamp for Women Returners

The demand for digital literacy and data skills is soaring across all sectors, from healthcare to astronomy, and beyond. In today's data-driven age, acquiring data skills is key to unlocking countless opportunities and securing your place in the future workforce.

We understand the unique challenges faced by women returners and are here to support you in your quest for personal and professional growth.

Our Data Skills Bootcamp is free of charge to women living or working in the Tay Cities Region (North East Fife, Dundee, Angus, Perth & Kinross) and will equip you with the necessary tools and confidence to adapt and thrive in the workplaces of today and tomorrow.

**FREE
COURSE**

To find out more or to apply, call
0344 248 0115 or visit [fife.ac.uk](https://www.fife.ac.uk)

Our 3-day Introduction to Data Skills Bootcamp runs on 30 November, 7 December and 14 December (from 9.30am - 4.30pm) and you will study **online from the comfort of your own home.**

Here's a glimpse of what you'll learn during the Bootcamp:

Part 1 - Digital Literacy Skills

- ✓ Assess your current level of digital literacy
- ✓ Develop a baseline set of digital skills for everyday tasks

Part 2 - Data Skills

- ✓ Understand how data is used and its immense value in decision-making
- ✓ Learn how to interpret data in different formats
- ✓ Master a range of cutting-edge tools and techniques to analyse simple data

Our Data Skills Bootcamp is the perfect opportunity to invest in yourself and future-proof your career. All you need is a laptop/computer and internet access, and we'll take care of the rest.

Don't miss out on this opportunity to acquire the data skills that can truly transform your career for free!
