

# EVENT INVITATION

## RE-ENERGISE YOUR OLD HOME

These events are for anyone living in an older home who wants help to keep it warm, reduce energy usage and lower energy bills. Home Energy Scotland has invited a number of experts to share their knowledge and expertise with you. At the events you can listen to short talks from the experts, ask questions and get tailored advice.

### Crail

Our **free energy efficiency events** bring together a range of experts **to explain how to reduce heat loss in older homes and the benefits of renewable technology.**

#### Speakers from:

- Local Planning Department
- University of St Andrews
- Home Energy Scotland
- Green Homes Network Members

At this event you can listen to short informative presentations from industry experts, and find out what funding is available for energy efficiency measures and renewable technology. Learn from Green Homes Network Members who have already installed energy efficiency measures in their homes. Plus, you can meet a range of specialist installers who have experience working in older homes.

For further information call **0808 808 2282**  
or email [technicalteam@se.homeenergyscotland.org](mailto:technicalteam@se.homeenergyscotland.org)

**We recommend that you book your place at the event in advance.**

Home Energy Scotland is the free, impartial energy advice service funded by Scottish Government and managed by Energy Saving Trust.
