Glenrothes Men's Shed Bothan nam fear Glaen Rathaus

Community Bulletin

Issue: 13

If you wish to book a place at the men's shed, please call the number above, between 10 am and 12 noon

These are the projects I carried out during the various lockdowns.

1. The log store. Made from the wood lifted from St Paul's Church Hall when they replaced their wooden floor with beach.

A. It was good tongue

& groove pine, however, lots of damage to the tongue & groove. Worked well when wood trimmed.

2. Planters in lots of shapes e.g. rectangle, triangle & hexagon.

A. Used decking. Challenge was that the decking was not always true. This especially applied to the hexagon planters.

B. For the rectangle planters purchased the trellis and cut

it in two then built planters to suit.

3. All the planting down to my wife Dorothy. We are both very pleased with the result.

4. My son and Daughter in-law have now placed orders for their garden!

Opening times

Monday 10am till 13:00
Tuesday 10am till 13:00
Wednesday 10am till 13:00
Thursday 10am till 13:00
Friday 10am till 13:00

Latest News

To help to reduce the impact of COVID-19 all non essential operations at Glenrothes Mens Shed will be suspended until further notice.

Peace 'n' Jam

Social Hub & Community Kitchen

Peace 'n' Jam would like to thank ASDA for there donations to support our hotdog provision during the summer holidays which has proven to be a success.

Community spirit!

LOVE OLIVER

A project for a local children's charity called LoveOliver, we were asked by them if we could make some display units for displaying some of the toys, clothes et cetera the project is still ongoing but here is one completed display unit and we have one others to complete

Go and visit their website at www.loveoliver.org.uk

JULY 2021 @ GROWING AUCHMUTY

A new headquarters & community projects...

Growing Auchmuty has been very productive so far this summer - thanks to local partners & volunteers! The gardening group is now happily settled at its new headquarters in the Arch Community Garden next to Pinkerton's pub just off Alexander Road. So far our allotment & raised beds have

given us fresh veg, our flower borders are in full bloom and our wildlife space has been given bee bars & bird feeders! This new green space is really coming to life and we are very grateful to YMCA Glenrothes for allowing us to be based in it.

Now we are settled at the YMCA's Arch Community Garden - we have time to dedicate to community projects! Using our stock of more than 300 plants, we will be restoring & planting flower beds at Auchmuty & Dovecot Tenants' & Residents' Association (107 Alexander Road), St Luke's Church (58 Ninian Quadrant), & Glenrothes's Lomond Centre. We also plan to donate approximately 40 hanging baskets, grown in collaboration with Glenrothes Men's Shed (GMS) & SAMH Evergreen in Kirkcaldy, to Auchmuty locals!

Finally we'd like to thank our fellow builder Neil for his good work paving the path around the Men's Shed polytunnel. We hope this will encourage good use of the polytunnel by all Men's Shed members! Thank you also to GMS's Mike, Gary, & John (and others!) for starting the work to replace GA's polytunnel at our new headquarters. We very much appreciate your hard work.
