Levenmouth, Fife Youth Arts Needs You!

Volunteer with Fife Youth Arts and take part in our exciting and dynamic Festival & Fringe programme!

The search is on in Levenmouth! Fife Youth Arts is searching for young people to help with their dynamic Festival 16 & Fringe 16 programme.

Festival 16 (30th July) is a celebration of children and young people in Fife. Festival 16 free multi-arts festival is open to not just children and young people but to everyone. Fife Youth Arts is giving Fife the chance to explore the power of the arts through workshops, games, performances and interactive sessions. Volunteers will be working with us on making sure the festival runs smoothly and street-flyering on the day!

Fringe 16 (4th to 21st August) is Fife Youth Arts taking that talent up to an international level. With over 20 performances by young people from 26 companies, Gallery Space, and young people running the entire behind the scenes operations, Fringe 16 is a triumph in demonstrating the creativity of Fife's young people. Volunteers will be helping with street-flyering on the vibrant Royal Mile and also helping to complete Front of House roles.

Looking especially in the Levenmouth area, the opportunity to be apart of our Summer programme is a fantastic introduction for anyone interested in the arts - who knows, maybe next year it will be you who's centre stage at the Fringe!

The minimum age for volunteers is 16. **All volunteers will be compensated with travel expenses paid and also have lunch paid for them. Volunteers take advantage of complimentary tickets to all our shows that don't sell out.** Volunteers will be with us for a maximum of 20 hours per week, depending on your availability.
