

Scottish Fisheries Museum

Boats, fish and folk...

Do you have some time to spare?
Would you like to gain some new skills?

If so we are looking for reliable and enthusiastic volunteers who enjoy working with the public to help out in our busy front of house.

Duties will involve manning the front desk, welcoming visitors to the museum and the sale of museum tickets and shop goods.

Previous experience in a retail front of house environment would be useful but not essential as full training will be given - a friendly personality is a must!

Regular shifts are available	Sunday 11.00am – 2.00 pm
	Sunday 2.00 - 5.00pm
	Thursday 1.30 – 5.30pm

(These are our summer hours - from 1st Oct to 31st March we close 1 hour earlier.)

Please apply by letter/email marked for the attention of:

Hazel Moran, Office Manager
