

Education & Children's Services
Improving life chances for all

Strategic Re-Commissioning Engagement Session 1

Welcome.....

- Introductions
- Purpose of the session
- Break out rooms to support full discussion
- Key points recorded for future reference

How did we get to where we are....

- National and local context
- GIRFEC in Fife
- Children Services Partnership and Plan 2017-20
- Thematic reviews of under 12 family support services- FC & Third sector
- Independent Review
- Committee approval Oct 2019 to review commissioning arrangements in Fife

The C&F Service Strategy and B2F.....

- C&F service key focus is to improve outcomes of the most vulnerable children and young people
- Objectives in Children's Service Plan delivered through the E&CS Directorate Plan
- Several phases of the C&F strategy to achieve these objectives
- Belonging to Fife is phase 3 informed by the Independent Care Review

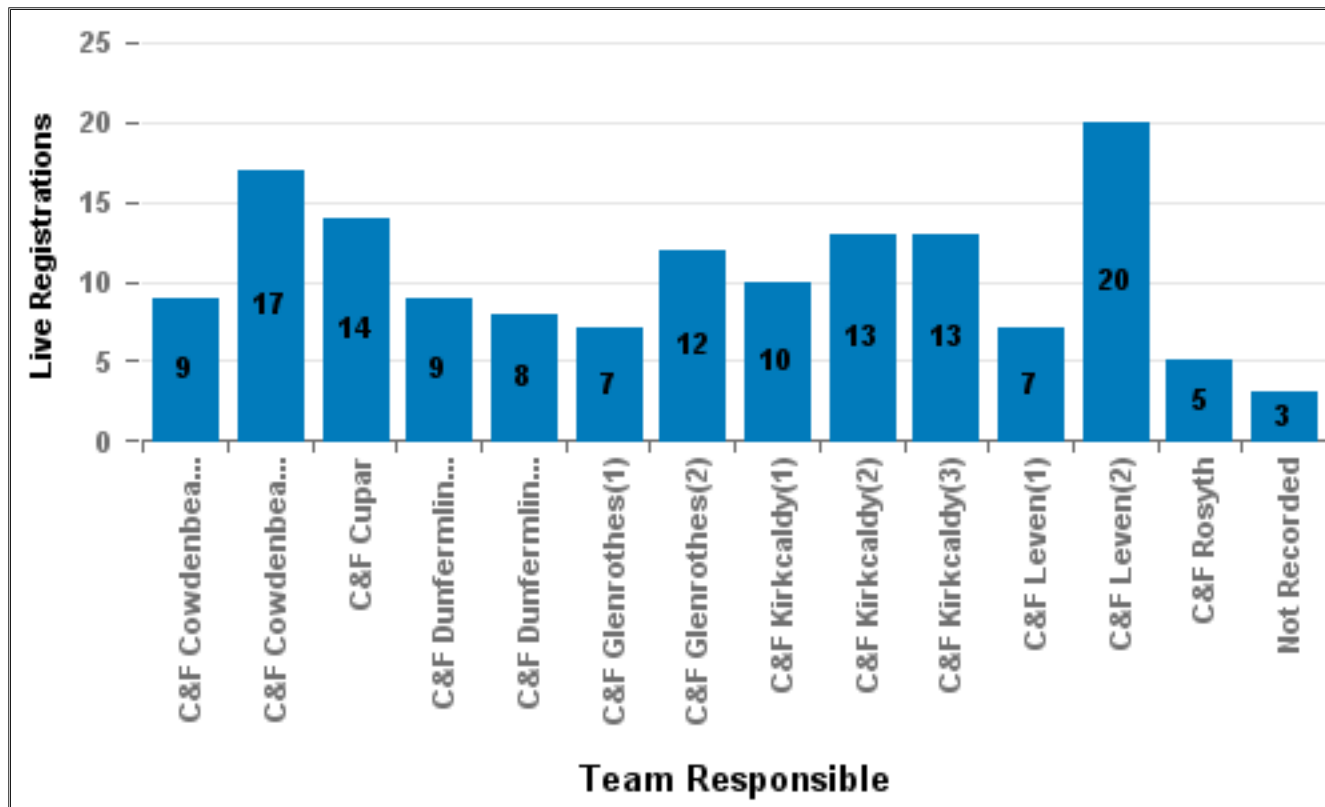

Main drivers in the B2F strategy are.....

- Children & YP voices/ rights
- Shifting the profile of care
- Better alignment - clear pathway
- Family focused and community facing
- Placed based
- Supporting those in greatest need to
- Agile, Flexible and Responsive-24/7
- Evidence based and measurable impact

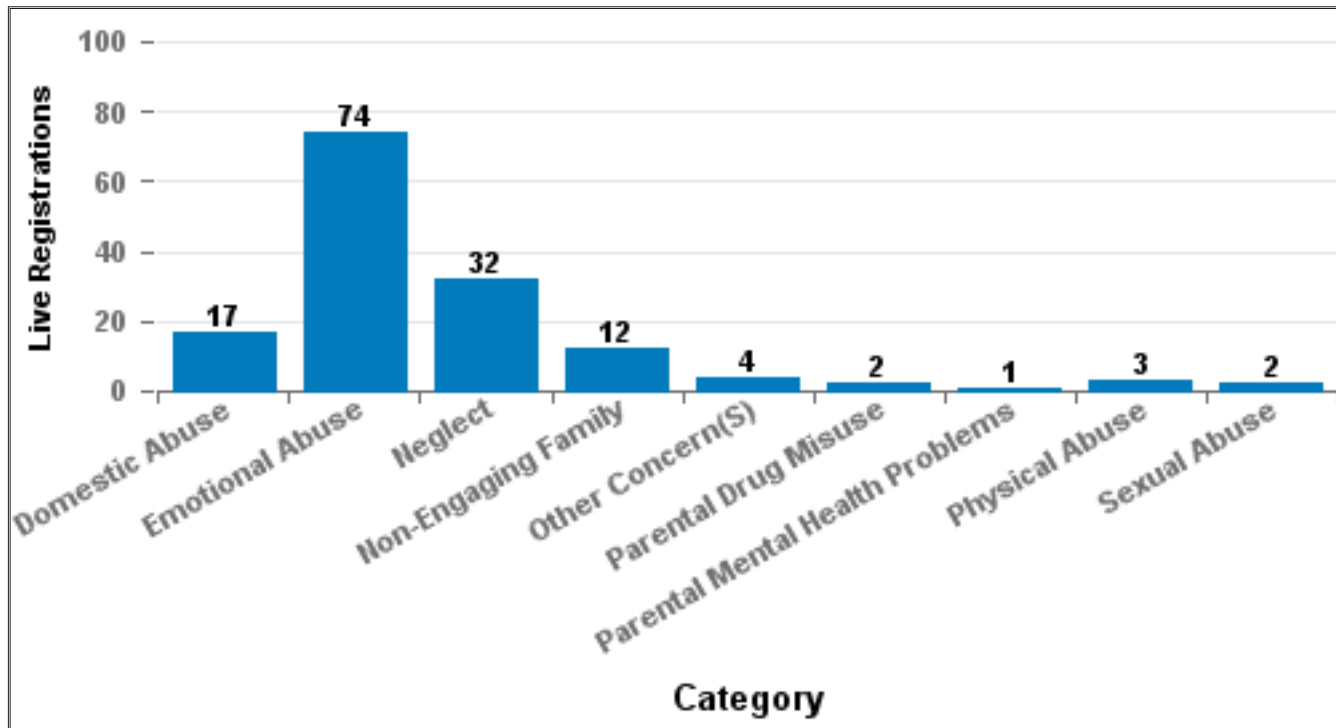

Children subject to CPR currently

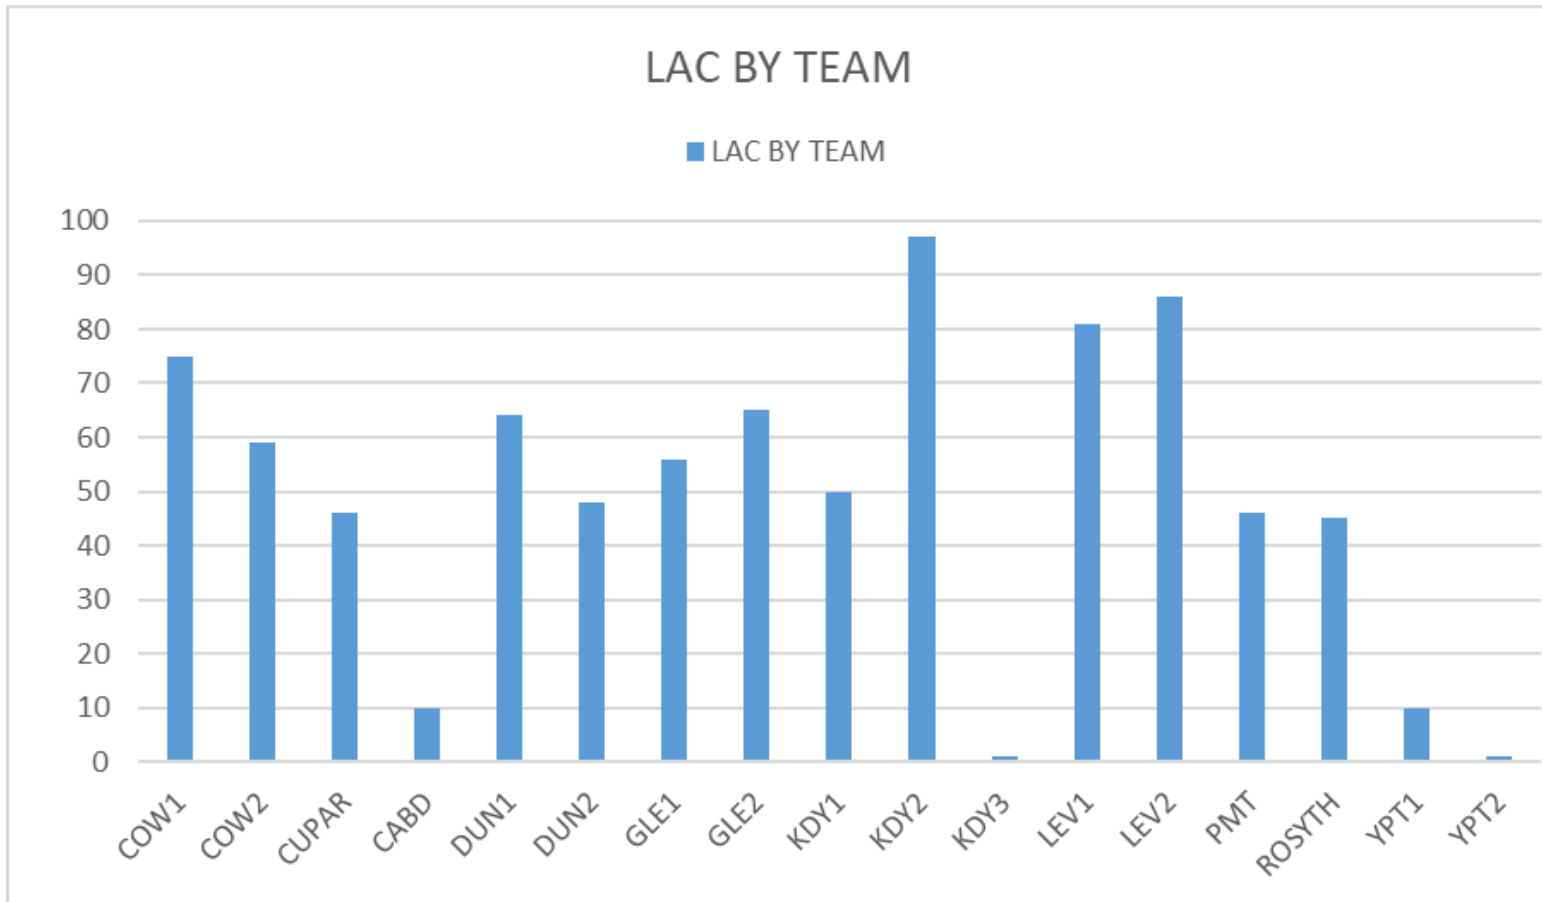

Categories for registration

LAC profile.....

Needs Assessment – where are we now

- Data collated via the Children's Services Partnership
- Analysis of C&F data and spend
- Impact of poverty
- Balance of care profile
- Focus on most vulnerable children, looked after at home or on the edge of care

Mapping – where are we now

- Investment of over 4 million in the Third sector
- Complex landscape and funding streams
- Overview of the mapping
- Mapping raises a number of themes to consider in terms of where we want to get to...

Discussion in groups

- Please consider in the break out groups the key questions and feedback 1 or 2 key points
