Free Skills Boost Courses

Upskill or retrain in key industry areas

To find out more or to apply,
call 0344 248 0115 or visit
fife.ac.uk/skills-boost

We're delighted to introduce our new range of short Skills Boost courses for Autumn 2021.

Starting in October, these short-term, online*, flexible Skills Boost courses are an ideal way to both refine your core skills and to learn new skills for specific industry sectors.

These courses are designed to enhance your employability and maximise your career prospects and job opportunities.

What's more, all these courses are FREE, so don't delay...sign up today.

Our 11 new FREE Skills Boost courses are now open for applications:

- Business and Customer Services
- Hospitality
- Professional Cookery – Professional Development Award
- Food Hygiene – REHIS Elementary (E-Learning)
- Introduction to Cyber Security
- Cyber Security – National Progression Award
- Introduction to Internet of Things
- PC Passport – National Progression Award
- Electric Vehicle Upskilling
- Waste in the Circular Economy
- Numeracy Core Skills

To find out more or to apply, call 0344 248 0115 or visit fife.ac.uk/skills-boost

*PDA Professional Cookery is delivered partly online; Electric Vehicle Upskilling is delivered in-person
