

SMALL SPARKS PROJECT APPLICATION FORM

A Catchy Name: A catchy name will get people interested. What's the name of your project?

Project Idea: What will you do, where will your project take place and when?

Involving people: What is your plan to get people involved in your project?

Who will benefit from your project?

For example, people who have just moved into the area.

How many people do you hope will get involved in the project?

Community Benefit: What benefits will your project bring to the people involved and the wider community? For example, the project will help people to improve their health through exercise.

Your Contribution: What contribution will the organisers make to the project? For example, volunteer time, use of equipment or premises, donated goods or services?

Money: How much money will the project need and what will the money will be used for? (you can request between £50 to £250)

	<p>What happens next? How will your Small Sparks idea continue once the project has ended? For example, our book club will continue to meet and will be open to new members.</p>
	<p>Contact person & address for the project</p>
	<p>Contact phone number for the project</p>
	<p>Contact e-mail for the project if you have one</p>
