

We help individuals and families facing short-term financial hardship by enabling donations to those in urgent need

100% of donations we receive directly reach the beneficiaries through charities that apply

COST-OF-LIVING CRISIS

We've found the help we provide through our donations is often a lifeline for many in our communities

We're here to offer support with essentials like heating, bills, food, clothing, and other financial challenges

Our funds (micro-grants), sourced from generous donations, never require repayment

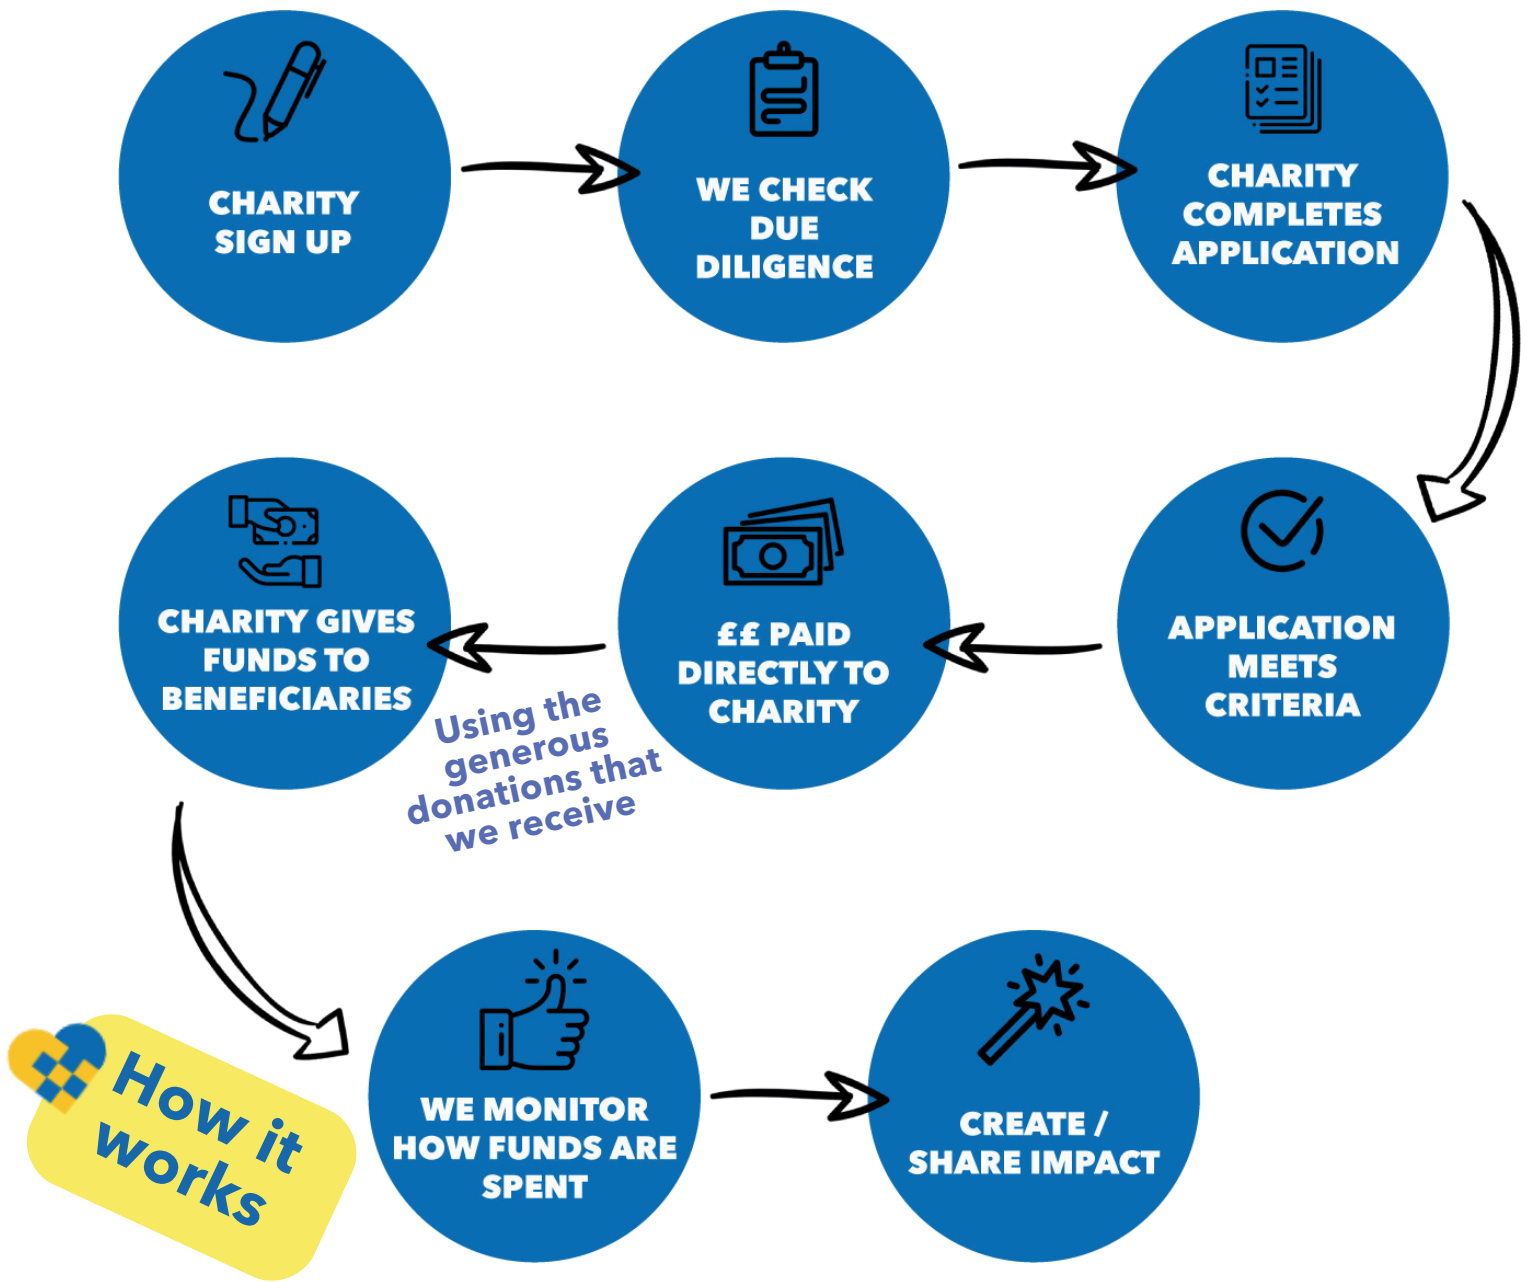

Join us to extend the incredible assistance you're already providing
Let's make a difference together!
