Linton Lane are working in partnership with Hosting Hope, Raith Rovers Foundation and Linktown Action to deliver 200 hampers on Christmas Eve to local people who are living alone, may have attended our Christmas Day meal, people who are struggling with mental health, anyone really who would feel their spirits lifted with a hi and a parcel. We will be going out in twos, Christmas jumpers and spend ten minutes on each doorstep. On Christmas morning the centre will be open between 10 and 12 for food parcels or a coffee if passing it will be myself and Frank from NewCraigs manning this. Our senior citizens only managed one Wednesday for lunch since LockDown but we plan on 16th December to have a small lunch for them in the centre but if not possible, we will deliver the Christmas meal to them with a gift
